## ABOUT ME

Creative and results-driven Web Developer with proven experience in developing modern, responsive, and SEO-optimized websites using Next.js, TypeScript, and Tailwind CSS. Strong background in frontend development, UI/UX principles, and performance optimization. Currently pursuing a Bachelor's in Development Communication with a specialization in Artificial Intelligence, Web 3.0, and Metaverse technologies. Passionate about building scalable digital solutions aligned with global development goals. Adept in cross-functional collaboration, API integration, and modern agile workflows.

## WORK EXPERIENCE

### WEB DEVELOPER (FREELANCE)

- Built multiple responsive and fast-loading websites using Next.js, TypeScript, and Tailwind CSS.
- Developed full-featured blog platforms, portfolios, and landing pages with clean UI/UX.
- Integrated APIs and CMS for dynamic content, using best practices in SEO and performance optimization.

## INTERESTS

- Future Technologies & Digital Innovation
- Social Impact Through Technology
- Global Development & Remote Collaboration
